

DATABASE ADMINISTRATOR – WILLIAMSVILLE, NY

National Fuel Gas Company (NYSE: NFG) is a multi-billion dollar diversified energy company with corporate headquarters in Williamsville (Buffalo), New York and division operations in New York, Pennsylvania, Texas and California. The Company holds assets that span nearly every facet of the natural gas industry, including Utility, Pipeline and Storage, Exploration and Production and Energy Marketing. National Fuel's history dates to the earliest days of the natural gas and oil industry in the United States, and the Company has been responsible for many industry firsts.

National Fuel Gas Distribution Corporation, the Utility segment of National Fuel Gas Company, is currently seeking a Database Administrator for an outstanding career opportunity at our headquarters in Williamsville (Buffalo), NY. As a member of the National Fuel team, you will enjoy an exciting and challenging work environment where top performance is recognized and rewarded.

The successful candidate will support a variety of corporate business needs through the enhancement and maintenance of National Fuel's information systems databases. Responsibilities include the monitoring, tuning, and maintenance of databases, installation and testing of database software, and providing database support for application development. In addition, the successful candidate will have the opportunity to participate in the design and implementation of infrastructure projects such as disaster recovery and high-availability database solutions. The successful candidate will be working with other database administrators primarily in an Oracle database environment.

Candidates must possess a minimum of a Bachelor's degree in Computer Information Systems, Management Information Systems, Computer Science or a related field. Three or more years of database administration experience is preferred, but not required. Prior exposure to an Oracle database or SQL Server environment is strongly preferred. Candidates must demonstrate initiative and professionalism, excel in a cooperative team environment and possess excellent interpersonal, communication and problem-solving skills. Strong analytical skills and the ability to coordinate multiple projects are essential to succeed in this position.

National Fuel offers a competitive salary and a comprehensive benefits package. Any candidate offered a position with National Fuel will be required to successfully complete a pre-employment drug test. For confidential consideration, please submit your **resume, cover letter and academic transcripts** by February 24, 2017 to:
