

SAP FUNCTIONAL/TECHNICAL ANALYST – WILLIAMSVILLE, NY

National Fuel's Information Services organization is currently seeking **SAP Functional/Technical Analysts** for outstanding career opportunities at our corporate headquarters located in Williamsville, NY.

Utilizing a wide range of technologies, the Information Services group develops, installs, maintains and administers business critical infrastructure and computer applications for many subsidiaries of National Fuel. **The successful candidate will support a variety of business segments through the maintenance and enhancement of critical business applications. Day to day responsibilities primarily involve configuration, coding and testing activities with some process analysis and design. The successful candidates will have the opportunity to work with a mentor within our Information Services group, initially focusing on developing strong technical competencies in specific environments and development tools in use at National Fuel.** The SAP Functional or SAP Programmer Analyst position is the starting point towards a well-defined career path within our Information Services team.

The successful candidate must possess a minimum of a Bachelor's degree in Computer Information Systems, Management Information Systems, Computer Science or a related field. 2-5 years of SAP Functional or Technical experience is highly desirable. Experience in the following SAP Technologies is preferred: IS/U FICA, IS/U Billing/IDEX, and/or ABAP development. Successful candidates for these opportunities must demonstrate exceptional analytical and problem solving skills, along with strong functional or technical competencies and the ability to grasp new technologies. Candidates must demonstrate initiative, professionalism, excellent interpersonal and communication skills and possess the ability to work independently as well as in a cooperative team environment.

National Fuel offers a competitive salary and a comprehensive benefits package. **For confidential consideration, please submit your resume, cover letter and academic (college) transcripts by June 15, 2017 to:**
