

INFORM. INVOLVE. EDUCATE.

National Fuel invites you to attend a
PUBLIC INFORMATION FORUM on the proposed
Pendleton Compressor Station on Nov. 7th.

You will have the opportunity to have one-on-one conversations with National Fuel representatives responsible for compressor station design, safety, and operations and view architectural renderings of the proposed station. Third party experts will also be on hand for questions.

THE FORUM WILL INCLUDE: 7 hours of discussion and interaction with National Fuel representatives and environmental consultants; 2 presentations on the design and operation of the proposed station; enough space for 250 people in total to attend a presentation; architectural renderings of the proposed station on hand.

The Wendelville Volunteer Fire Company's fee-based rental of space for this event, should not be interpreted as a project endorsement.

National Fuel Public Information Forums

Saturday, Nov. 7. from 10 a.m. – 5 p.m.

Location: Wendelville Fire Hall, 7340 Campbell Blvd., Pendleton

Presentations will be given at 11 a.m. and 3 p.m.

Advance reservations required to insure space accommodations for presentations

In an effort to accommodate as many people as possible in a forum that allows for conversation and discussion, please **RSVP** in advance **for the presentation**. We can work to ensure there is space at session offered.

RSVP as soon as possible for your spot at a presentation.

Please email your name, address, a telephone number and the number of people in your party to Corpcomm@natfuel.com. You will receive a confirmation email or telephone call to confirm your reservation.
