

# NATIONAL FUEL IS A PROUD SPONSOR OF

On Oct. 20, Chad Stockwell, a Corrosion Technician at the Niagara Falls Service Center and veteran, volunteered with the Buffalo Niagara Honor Flight. He accompanied WWII, Korean War and Vietnam War veterans on a trip to Washington, D.C. The veterans and volunteers spent the day visiting memorials, monuments and museums, including the Museum of the US Navy and the Arlington National Cemetery. Upon their return the veterans received a warm homecoming from friends, family and volunteers at the Buffalo Niagara International Airport.

"This program has impacted me greatly. I just enrolled in our Company's Employee Charitable Giving Program to donate to the Buffalo Niagara Honor Flight. It's wonderful that National Fuel has chosen to be a major sponsor for the B.N.H.F. This program is able to give the community and the younger generation a chance to say thank you. It also gives these veterans and their family members an experience and a memory they can share long after the veteran passes away. That is something truly special to be a part of. Thank you to everyone involved for making this flight happen."

-Chad Stockwell

National Fuel thanks all employees who have served in the United States Armed Forces!
