

## National Fuel Ranks 3rd in the East

National Fuel Gas Distribution Corporation, or the Utility, received high marks from its residential customers, ranking third among large eastern utilities for customer satisfaction, according to a survey released Wednesday by J.D. Power and Associates.

“Providing quality customer service is the cornerstone to being a leading energy delivery company and anytime National Fuel is recognized for a superior customer experience, it is something we take great pride in,” said Anna Marie Cellino, Utility President. “I would like to thank our customers for the high satisfaction rating and above all, our employees for their daily dedication to providing safe, reliable and quality service.”
