

# National Fuel Named Top 100 Most Trustworthy Company in America

National Fuel ranked No. 11 in a list of 100 most trustworthy companies, according to a Forbes article published on March 30.

To create this list, MSCI ESG Research screened more than 5,500 publicly-traded North American companies to identify the 100 that most consistently demonstrated transparent accounting practices and solid corporate governance.

In general, companies that make this list can be relied upon to accurately report financial outcomes, for better or worse. The majority of the companies here are financial sound, demonstrating strong stock performance, and providing shareholders with greater levels of transparency.
