Since 1983, good neighbors like you - as well as National Fuel shareholders and employees - have collectively contributed more than \$6 million for home heating grants through the Neighbor for Neighbor Heat Fund to help people like George. Now we're asking you to join us. It takes only \$5, \$2, or even \$1 a month for you to help heat the homes of thousands of our neighbors in need.

Delivering warmth for many.

This special fund is for people living in National Fuel's service territory who:

- are disabled; or
- have a certified medical emergency; or
- are 55 years or older; or
- are currently receiving unemployment benefits.

Applicants must have a heating account, although they do not need to be National Fuel customers.

Just \$5, \$2, or \$1 a month helps.

At your request, we'll automatically add a tax-deductible donation of \$1, \$2, \$5 or any amount you specify to your monthly bill. (You can discontinue at any time by contacting us.) Your contribution is matched by National Fuel shareholders up to \$200,000 per year to benefit hundreds of elderly, disabled, and unemployed residents in National Fuel's service territory.

Thank you for your generosity.

If you're already contributing to this special fund, we appreciate your continued generosity. If you would like to add your name to the growing list of good neighbors, please complete the form on the back of this pamphlet and return it when you pay your bill, or do it online with National Fuel's Online Services at www.nationalfuelgas.com. Thanks for helping to make this a warmer season for your neighbors.
