

## **AUTO MECHANIC – BUFFALO, NY**

National Fuel Gas Company (NYSE:NFG) is a diversified energy company with its headquarters in Williamsville, New York. National Fuel Gas Distribution Corporation, the Utility segment of National Fuel Gas Company, is currently seeking an **Auto Mechanic** for an outstanding career opportunity at our Mineral Springs Field Location. As a member of the National Fuel team, you will enjoy an exciting and challenging work environment where top performance is recognized and rewarded.

Primary responsibilities for the **Auto Mechanic** are to:

- Repair and maintain Company vehicles, construction equipment, and pneumatic tools
- Repair and maintain Compressed Natural Gas facilities
- Diagnose problems associated with the above vehicles and equipment including on-board computer diagnosis
- Diagnose and repair hydraulic systems
- Perform Gas-Cam operations

Candidates must possess an Associate's degree in Automotive Technology or equivalent professional automotive work experience. A valid NYS inspection license for Light vehicles and Heavy vehicles is also required. Applicants must possess the ability to work both indoors and outdoors in all types of weather. Candidates must also demonstrate computer proficiency, excellent communication skills, and exceptional mechanical aptitude. The ability to successfully work independently as well as within a team environment is required. The successful candidate is responsible for providing their own tools.

Candidate must possess a high school diploma or equivalent and valid driver's license. Any candidate offered a position with National Fuel will be required to successfully complete a pre-employment drug test.

This is a position within the Company's collective bargaining unit. In addition, National Fuel offers comprehensive benefits package. For confidential consideration, please submit your resume and cover letter by March 31, 2017 to:
