

STATION MECHANICS

National Fuel is looking for qualified and dedicated people to help us further improve the efficiency and quality of our services while providing our customers with outstanding service. We currently have **Station Mechanic** positions available at our Ellisburg Station location in Genesee, PA.

A Station Mechanic is responsible for diagnosis, repair, overhauling, and maintenance of mechanical, electronic, hydraulic, and control systems for large industrial stationary natural gas engines and compressors. The position is also responsible for documenting and maintaining associated maintenance/repair records. Occasional overnight travel within northwest PA is required.

Candidates must possess at least a high school diploma or equivalent, and a valid driver's license. Prior experience in troubleshooting, maintenance and overhauling of large industrial mobile or stationary engines is required. An Associates Degree in Diesel Mechanics, Diesel Technician Certification, or equivalent work experience and experience in installation/repair of pneumatic and electrical equipment is preferred. The physical capability to work in and around hazards and difficult to reach areas is also required. Candidates must also demonstrate good communication skills and computer/data entry skills. Basic literacy is required. Candidates must be able to read, legibly prepare written documentation and have the ability to accurately interpret and analyze written information.

Applicants must live within a 20 – mile radius of the Ellisburg Station located at 188 Rose Lake Road, Genesee, PA or be willing to relocate.

National Fuel offers a competitive wage and comprehensive benefits package which includes health insurance, a retirement savings account, a matching Tax Deferred Savings Plan - 401(k), and paid holiday and vacation time.

Please email or mail your resume and cover letter making sure to reference **Position #17-007NY– Station Mechanic** in your correspondence to the address listed below. Resumes must be received in our office by April 4, 2017.
