

UTILITY TECHNICIAN – ERIE, PA

National Fuel has immediate, full-time openings for **Utility Technicians** in our Operations Department at our **Erie Service Center** located in **Erie, Pennsylvania**. Utility Technicians will receive industry leading classroom training as well as opportunities to assist fully-qualified Operations employees to gain valuable hands-on natural gas experience. The classroom training paired with hands-on training will provide the Utility Technician with the potential for career advancement.

PRIMARY RESPONSIBILITIES:

The Utility Technician will continue to have primary meter reading responsibilities, however, will have the opportunity to attend operator qualification classes. Upon successful completion of company selected operator qualifications, the employee will rotate between meter reading duties and assisting a fully qualified employee to gain knowledge and hands-on experience in:

- Performing collections
- Installing and removing gas meters, meter sets, and regulators
- Investigating gas service inquiries, such as no gas, leaks, and gas odors
- Using test instruments as required to install, service, and adjust all gas appliances
- Using pressure gauges to test for line leaks and gas detection instruments to locate leaks
- Perform line locating for third party excavations
- Perform construction activities such as, leak repairs and pipeline replacements

MINIMUM QUALIFICATIONS:

- Must possess a valid driver's license with a clean driving record
- Must have a high school diploma or equivalent
- Ability to understand and apply mechanical principles as well as possess proficient skills in the use of hand tools
- Basic literacy is required. Ability to read, accurately interpret and analyze written information and legibly prepare written documentation.
- Excellent customer service and computer/data entry skills
- Available to work a flexible work schedule Monday through Saturday between the hours of 8:00 am and 4:30 pm.
- **Must live within a 20-mile radius of the Erie Service Center located at 225 Wayne Street, Erie, Pennsylvania or be willing to relocate**

PREFERRED QUALIFICATIONS:

- Equivalent work experience in plumbing, HVAC, construction trades and/or technical training
- Experience in diagnostics and troubleshooting of mechanical and/or electrical equipment
