NATIONAL FUEL GAS APPLICATION FOR ENCROACHMENT

Please complete the following application and return with the information as indicated. This information will assist National Fuel Gas Company, and its affiliates or subsidiaries, ("National Fuel") in determining if the proposed encroachment will be allowed in the vicinity of National Fuel's facilities. If allowable, an Encroachment Agreement between National Fuel and the Applicant may be required. As part of the Encroachment Agreement requirements, National Fuel must be named as an additional insured on the Applicant's Commercial General Liability and Commercial Umbrella Liability Insurance, Business Automobile Liability and Commercial Umbrella Liability Insurance, and Workers' Compensation and Employer's Liability Insurance with the appropriate limits as specified in the Encroachment Agreement. Prior to the execution of the Encroachment Agreement, you must provide proof of insurance acceptable to National Fuel and you may be required to make a payment to cover administrative expenses.

No work on National Fuel's right of way may proceed until Applicant is in receipt of a fully executed Encroachment Agreement from National Fuel's Land Department. No verbal approvals are granted or implied.
