SYSTEM ALERT - PENNSYLVANIA DIVISION
Effective 2/16/2013
Posting date 2/15/2013

The following is a System Alert for the National Fuel Gas Distribution Corporation ("Distribution" or "Company") - Pennsylvania service territory effective from 10:00 A.M. EST Saturday, February 16, 2013 until further notice. Due to anticipated cold weather conditions and the anticipated increase in demand, Distribution is requesting that all Market Pool Operators make every attempt to match deliveries to their posted Daily Delivery Quantities (DDQ's). Suppliers who schedule and deliver quantities to match DDQ's may help to prevent a critical situation that could require the Company to issue an OFO.

Distribution will continue to provide periodic updates to the operational status of the system as warranted.
