National Fuel to Host Open Interviews for Meter Readers

(Oct. 16, 2019) WILLIAMSVILLE, N.Y. – National Fuel has immediate employment opportunities available for full-time meter readers and will conduct open interviews on Oct. 23, 2019, at the Buffalo Employment & Training Center located at 77 Goodell St. in downtown Buffalo from 10 a.m. to 6 p.m.

Each candidate, 18 years and older, **must** bring his or her resume, have a high school diploma or equivalent, and hold a driver’s license with a clean driving record. Interested individuals are encouraged to reserve a space in advance by emailing their name to jobs@natfuel.com and referencing “meter reader open interviews” in the subject line.

Meter readers are required to drive a small truck or van and are responsible for reading residential and commercial gas meters, accurately recording readings using a handheld device, handling customer inquiries, and performing collection work. Candidates must have a valid driver’s license and high school diploma or equivalent.

The ideal candidate will be self-motivated and have customer service experience, strong verbal communication, and record-keeping skills, as well as physical endurance to walk long distances in all types of weather conditions. Candidates must be able to work a flexible work schedule Monday through Saturday between the hours of 7 a.m. and 6 p.m. The rate of pay is \$14.50/hour plus incentive pay based on the number of meters read. National Fuel also offers a comprehensive benefits package.

Please do not call the Buffalo Employment & Training Center with inquiries. Any candidate offered a position with National Fuel will be required to successfully complete a pre-employment drug test after receiving a job offer. National Fuel is an equal opportunity employer.

National Fuel Gas Distribution Corporation is the Utility segment of National Fuel Gas Company, a diversified energy company that is engaged in a number of natural gas-related activities. The Utility provides natural gas service to approximately 740,000 customers in Western New York and northwestern Pennsylvania. Additional information about National Fuel and its customer services is available at www.nationalfuelgas.com.
